Impacting Eternity IN THE Eternal City

There's an advertisement here in Rome: "Marzo é Pazzo" (March is Crazy) And it's true! March has been a crazy month full of, well, Americans! We've had about 175 Americans come through this last month. Our theme was 'Impacting Eternity in the Eternal City,' and that's what happened! Students spent their afternoons interacting with Romans over the truth of the Gospel. We saw so many neat things happen: Italians trusting Christ for the first time, Italians interacting over spiritual matters, and our involved Italian students interacting with involved American students. It's been neat to see God work in both the lives of Italian students, and the lives of the Americans that came. For the American students, this was an opportunity for them to take a step of faith- to come to Rome and share the Gospel. It also cultivated a heart for missions. Praise God that there are 175 students (soon to be graduated and involved in their communities and churches) who have a heart for the world! Please pray specifically for the new Italian believers, the students we met that we believe are followers of Jesus, and the students that are interested in learning more about how to have a relationship with God. Also keep the American students in your prayers- that they would take their passion for the message of Jesus back to their campuses in the States and would return to Italy in the future!

Some Italian students using an evangelistic tool called 'Soularium'- which uses pictures to describe your life & view of God. It's been a great way to engage with Italians & talk about knowing God!

Everything's Bigger in Texas! We hosted a 'Texas BBQ' party to meet the new Italians that the Spring Breakers met and 70 people came! Pray for the relationships built at this party, that we would continue to meet with these students!

Check it Out! We've been having some fun with multimedia here in Rome.

Thank you all for being such an integral part of the ministry here in Rome. You have been so faithful in giving and in prayer this year. God IS using you to bring people to know Himself. Thank you for blessing Rome and for blessing me. Please continue to remember 'The Eternal City' in your prayers! So that All may know,

Lauren
